January 2023

We are excited to announce RVNAhealth will host its **22<sup>nd</sup> Annual Spring Breakfast at The Amber Room Colonnade in Danbury on Friday, April 28, 2023 at 7:30 am.**

Each year, this event brings together 400 local businesses leaders, medical professionals, community groups, and RVNAhealth supporters to welcome spring and make a lasting impact on those who benefit from our services throughout the year. In less than two hours, our guests raise more than \$135,000 to support our patients and clients, ensuring RVNAhealth continues to deliver unmatched health care regardless of age, diagnosis, or financial circumstances. It's truly an inspiring morning and a great way to start the day!

**We invite you to be a sponsor or table host at this year's event**, which will include a delicious breakfast, impact speaker, live auction, and raffle. Sponsorship opportunities are listed on the attached page and include preferred seating {tables for eight guests} and both digital and print recognition.

Thank you for your consideration and support of RVNAhealth. Please note, tables for this event typically sell out, so we encourage you to respond promptly. **To be included on the event invitation, complete and return the enclosed sponsorship form by Wednesday, February 15.** For more information, please contact Jennifer Christensen, Donor Engagement Officer, at 203.438.5555, x1052 or [jchristensen@rvnahealth.org](mailto:jchristensen@rvnahealth.org). Information is also available on our website, [www.rvnahealth.org](http://www.rvnahealth.org).

We look forward to seeing you on **Friday, April 28** for our Spring Breakfast!

Sincerely,

Mary Jean Heller  
Director of Philanthropy

P.S. Please consider helping RVNAhealth sustain its meaningful work and community impact by supporting our 22<sup>nd</sup> Annual Spring Breakfast.
